ABOUT COMPANY

Sarvottam Paints

Sarvottam Paints Industries Ltd

Sarvottam Paints Industries Ltd., **Nepal's first public limited paint manufacturing company**, has been engaged in producing decorative paints since 2073 B.S. Originally established as a private limited company, it was converted into a **public limited company on 2079/03/30 (B.S.)** and is now proudly **listed on the Nepal Stock Exchange (NEPSE)**. Our mission is to deliver premium-quality products at reasonable prices, ensuring long-term value and customer satisfaction.

Starting from Sudur Paschim Province, we have built a strong foundation and market leadership. With this success, the company is now planning to extend its distribution network nationwide, bringing trusted paint solutions to every corner of Nepal.

Within short span of operation, we expanded our portfolio to include water-based emulsions, interior & exterior primers, enamels, and powder-based Paints. We Are operating Automatic tinting machines, enabling the development of more than 1,200 shades to meet diverse customer preferences. With the highest market share in Sudur Paschim, Sarvottam Paints continues to lead through innovation and reliability. Our advanced laboratory, equipped with the latest technology, ensures consistent quality and customer satisfaction. Now our jouney from sudurpaschim continues all over nationwide with most sophisticated manufacturing plant Built in Hetauda Industrial Zone Makwanpur

We have recently diversified into **Thermoplastic Road Marking Paints**, developed in compliance with **British Standards** and **MORTH India Standards**, through a collaboration with **Neelgiri Chemicals Pvt. Ltd., New Delhi, India** - a renowned company with over 40 years of expertise in manufacturing and distribution for highways and urban infrastructure projects.

Sarvottam Paints emphasizes maximum utilization of local resources and manpower. We actively participate in social initiatives across health, education, and sports, and collaborate with various organizations .

SUCCESS STRATEGY

COMPETITIVE ADVANTAGE

Sarvottam Paints Industries Limited's competitive advantage lies in its commitment to quality, affordability, diverse product portfolio, research and development, and a strong distribution network. These factors contribute to the company's success in meeting the need of the Nepalese consumers and competing effectively in the paints market.

GROWTH STRATEGY

- Branding and Marketing
- Product expansion
- Market expansion to all over Nepal
- Expansion of plant capacity and physical infrastructures
- Collaboration with multinational company
- Continuous innovation and R&D of new products in line with modern requirements.

OUR EXPERTISE

At Sarvottam Paints Industries Ltd., we combine innovation, local resource utilization, and advanced technology to deliver decorative and protective coatings that meet the diverse needs of Nepal's infrastructure and households. Since our establishment in 2073, we have expanded rapidly across Provinces 6, 7, and parts of Province 5, becoming a trusted name in exterior and interior paint solutions.

TECHNICAL STRENGTHS

Advanced Formulations: Our product range includes water-based emulsions, primers, enamels, powder coatings, and specialized waterproofing systems. Each is developed with carefully selected pigments such as Rutile Titanium Dioxide to ensure durability, anti-fungal protection, and aesthetic excellence.

Tinting Technology: With over 50 manual and automatic tinting machines, we offer more than 1200 shades, empowering customers with unmatched choice and precision.

Laboratory Excellence: Our in-house laboratory is equipped with modern testing facilities to benchmark every product against real-world conditions, ensuring consistency, safety, and long-term performance.

COMPLIANCE & STANDARDS

We align our processes with recognized national and international benchmarks for coatings and primers. Our systems are designed to deliver:

High coverage efficiency under varied site conditions.

Eco-friendly formulations with low VOC content, free from heavy metals like lead, mercury, and chromium.

Protective performance against cracking, moisture, and fungal growth, tailored for Nepal's diverse climate zones.

SOCIAL & ECONOMIC IMPACT

Local Empowerment: Employing more than 40 skilled and unskilled workers directly, and thousands indirectly, we contribute to reducing unemployment at the community level.

Community Engagement: Active participation in health education, sports, and non-profit organizations.

END-TO-END SOLUTIONS

From surface preparation guidance to application system design, we provide technical consultation that ensures every coating performs to its lifecycle potential. Our portfolio includes:

- Exterior emulsions like Weatherseal Extra and Weatherseal Exterior for long-lasting protection.
- Interior luxury finishes such as Royal Glory and Delight Emulsion for elegance and durability.
- Specialized products like Damp Lock waterproofing systems and Hi-Gloss Synthetic Enamels for industrial and decorative excellence.
- Road Marking Paints engineered for highways and urban infrastructure, delivering high visibility, abrasion resistance, and compliance with safety standards.

FUTURE OUTLOOK

Sarvottam Paints

Sarvottam Paints Industries Limited is entering a decisive phase of growth and transformation. Building on its strong foundation of profitability, wide distribution network, and diverse product portfolio, the company is strategically positioned to expand its influence across Nepal's paints and coatings industry.

Very soon, Sarvottam Paints will establish its infrastructure at the Hetauda Industrial Area, commencing production with advanced machinery and modern technological facilities.

IPO & Market Presence: The company successfully issued shares to the general public in mid-2026. The IPO was oversubscribed, reflecting strong investor trust in the company's fundamentals and growth prospects. Sarvottam Paints is now listed and actively traded on the Nepal Stock Exchange (NEPSE), marking its transition into the capital market. Shareholders can now track real-time price movements, dividend updates, and financial disclosures through the official Investor Dashboard.

Sustainable Expansion: The company is committed to broadening its product range by introducing specialty and infrastructure paints, while simultaneously scaling plant capacity and physical infrastructure. In addition, plans for raw material trading and solvent extraction (subject to regulatory approvals) further strengthen its long-term growth strategy.

Strategic Partnerships: Collaboration with multinational companies is envisioned to bring advanced technologies, global best practices, and enhanced competitiveness to the domestic market.

Community Commitment: CSR initiatives in health, education, and sports will continue to be a cornerstone of the company's social responsibility, ensuring that growth translates into positive community impact.

Looking ahead, Sarvottam Paints is not only focused on expanding its market presence but also on becoming a benchmark for innovation, sustainability, and trust in Nepal's paints industry.
